BEYOND BEAUTY

NEW YORK LOS ANGELES PARIS HONG KONG

PROGRESSIVE PASSIONATE AND PERSONAL

WE ARE BEYOND BEAUTY

Asquan is a technology and innovation focused company, led by an experienced and dynamic team of beauty industry experts. Our team understands that today's clients desire more and we go out of our way to deliver a powerful and holistic solution.

Adept design input, breakthrough innovation, protected IP, faster to market lead times and most importantly, exemplary customer relationships. Everything and everybody you need to bring your products to market quickly and successfully.

Demand for higher performance active ingredients and cleaner formulations mean less preservatives. Today's packaging needs to work harder to keep ingredients safe from contamination.

Asquan has an extensive catalogue of airless pumps, pots, airtight compacts, tubes, tottles and glass/plastic droppers and bottles for every price point.

"Asquan Group has grown to be an award-winning global family, where I'm poud to say, the needs of our customers continue to be of paramount importance and where each project is managed with passion and 100% commitment."

Henri Tinchant
President Asquan Group
